Phone No:0471-2322825

QUOTATION NOTICE

Sealed competitive quotations are invited for the supply of **28 numbers** of handcuffs for the use of Excise Department. Detailed specification is attached herewith.

Intending vendors may quote their offers separately. The quotations should contain price of the item including taxes, guarantee/warranty etc. The sealed envelopes containing the quotation should bear the superscription “Quotation for the supply of 28 numbers of handcuffs” and should be addressed to the Excise Commissioner. Intending tenderers may submit the quotations in their own letter heads. Last date for receipt of quotations is **05.11.2016**, 12 PM. Late quotations will not be accepted. The quotations will be opened at 3 pm on **05.11.2016** in the presence of such of the tenderers or their authorized representatives who may be present at that time. The maximum period required for delivery of the system should also be mentioned. The Excise Commissioner is empowered to reject any quotation without assigning any reason. Payment will be made only after the verification of the supplied items. Advance payment will not be allowed.

RISHI RAJ SINGH

3) Notice Board

**Specification**

1. The handcuff should be of superior quality with no sharp edges. Each one should have individual keys for security.
2. It should have a ring shaped shackle for the wrist, usually one of a pair connected by short chain or linked bar.
3. It should have a spring loaded pivoted bar which engages the teeth of a ratchet, permitting it to advance in the closing direction only.
4. It should have a bar with inclined teeth designed to engage with a pawl. The ratchet is free to advance past the pawl in one direction of motion only.
5. It should have a double locking mechanism which locks a handcuff pawl in an engaged position and prevents the ratchet from advancing further in the closing direction.
6. It should Permanently locks in a wide range of adjustable positions
7. It should be sufficiently strong.
8. It should be easy to operate, i.e. easy to lock the handcuff in sufficient quick time.
9. The weight of the pair of handcuffs shall not exceed 450 grams.
10. Each handcuff of each pair shall have a minimum opening
of 50mm for insertion of the wrist.

11. The inside perimeter of the handcuff should have a maximum of 200mm (7.9 inch) when the ratchet is engaged at the first notch entering the locking mechanism.

12. The inside perimeter of the handcuff should have a minimum of 165mm (6.5 inch) when the ratchet is engaged at the second notch entering the locking mechanism.

13. The maximum overall length of the pair of handcuffs shall be 240mm (9.4 inch).

14. The handcuffs shall be free from all types of defects.

15. Necessary test report as per NIJ standards should be attached.

RISHI RAJ SINGH
EXCISE COMMISSIONER
Commissioner of Excise.
